Using an APP Game - Recycling

You can also use an APP to play a game about recycling

Title of the APP: RECYCLE GAME

- Nowadays, we try to recycle, but most of us are not accustomed to it.
- Recycling was not something we were educated in.
- We need to make recycling a habit for future generations.
- In our future, our world could become a less polluted and more energy efficient place, if only all of us could include recycling in their day-to-day lives.
- This game, for mobile devices, has been made for the purpose to raise awareness on how and why we should recycle, while keeping the experience fun.
