## Visit to a health Centre

The trainer has already designed and uploaded the online session to the e-Training platform. Things to be done online:

Trainees must read and download, (if they want), the training materials (PPT, Word document, complementary readings, practical activities, etc.) for Topic 8.

## Visit to a health Centre

1. The training group organizes a visit to a Health Centre. The objective is to understand and see directly of this services work in general terms.
2. After the activity each trainee should have completed slides 7 (important telephone numbers) and 11 (medication intake) of the PPT 6\_Medical Follow Up and Medication.
3. Once these pages are completed by each trainee, they upload them to the training platform.
