Sexualities

Diversity

Do you like men?

Do you like women?

Do you like men and women?

Don't you know what you like?

Sexualities

Diversity

We have always thought that:
If I'm a man, I have to like women.
If I'm a woman, I have to like men.

This is the wrong idea!
It's not the only option!

Sexualities

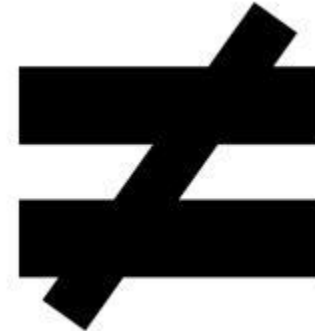

Diversity

The human being is diverse.

This means that...

each person is different
because he/she has capabilities,
desires, interests and needs
different from that of another person.

Sexualities

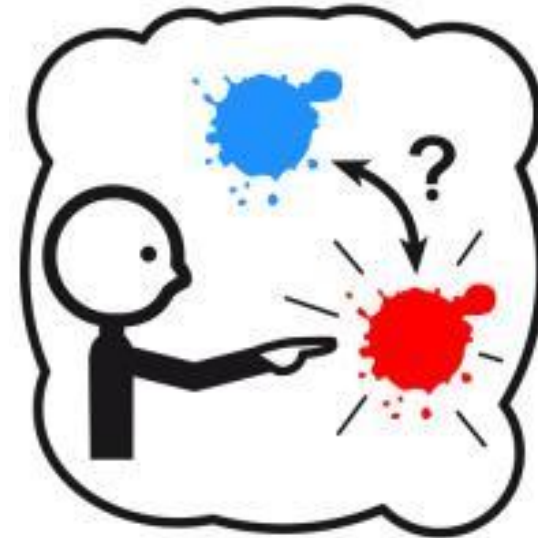

Diversity

This happens in all areas of life.

For example:

- Each person dresses on their own way.
- There are different musical preferences.
- Some people like to read, others don't.
- Some people like sports, others don't.

Sexualities

Diversity

The same thing happens in the sexual area.

Each person has a preference (Sexual Orientation).

Have to respect them!

Sexualities

Sexual Orientation

There is not a unique sexuality.

Sexualities are diverse.

Sexualities

Sexual Orientation

Heterosexuality:

I like people of different sex.

If I'm a man, I like women.

If I'm a woman, I like men.

Sexualities

Sexual Orientation

Homosexuality:

I like people of the same sex.

If I'm a man, I like men.

If I'm a woman, I like women.

Sexualities

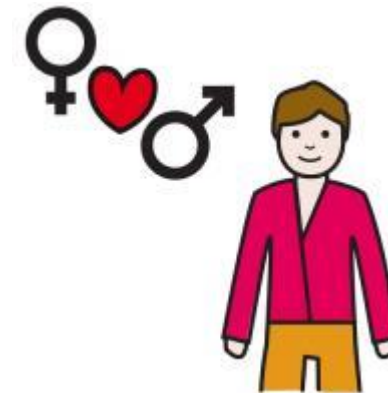

Sexual Orientation

Bisexuality:

I like men and women.

I'm a woman and I like men and women.

I'm a man and I like men and women.

Sexualities

Sexual Orientation

In some cases, being male or female is not so clear.

There are men who feel women.

There are women who feel like men.

This is known as **transsexualism**.

**This is part of diversity
and
we have to respect it!**

Sexualities

Sexual orientation

Not respecting the diversity and sexual orientation of people

Is called **discrimination.**

Sexualities

Think...

Do you have clear ideas?

Do You know what you like?

Do you respect the difference?

Or Do you show rejection attitudes towards others?
